

DAN ALCH'S CAMP OF

Champions

The goal of the clinic is to give the athletes the opportunity to work with and socialize with some of the premier coaches and former national and international athletes. We feel that this clinic will benefit the athletes both physically and mentally. During these camps we will provide a high energy and exciting experience for athletes from levels 2-Elite, introducing new skills and philosophies of training. We hope these camps will have a profound impact, not only in the short term but throughout their gymnastics careers.

June 6, 7 • River City Gymnastics, Soldatna Alaska

June 9, 10, 11 • Arctic Gymnastics, Anchorage Alaska
