Dear Candidate,

Thank you for taking the time to review this position and consider how our program might fit into your goals! Helena, Montana is a fantastic town with many attractive qualities to singles, families and retired individuals. Besides looking over the attached description please also research our community and all that this beautiful area has to offer.

Helena Athletic Club, Inc. is a newer and growing gym (current enrollment at 550) including Gymtrix, a thriving preschool and rec program. We expanded into a brand-new facility two years ago and are looking for a highly-motivated leader who can seize the opportunity for growth and competitiveness with our team J.O. program, including starting and developing TOPS and possibly an Excel program. The potential is limitless and we are excited about welcoming an enthusiastic coach with a vision for development and success.

Currently, there are 40 gymnasts in Levels 3-9 with outstanding potential for immediate expansion. All teams consistently place among the top at state meets and we consistently have athletes qualify to Regionals.

We have a fantastic compulsory staff in place and look forward to adding an Optional Coach/Team Director as early as Summer 2017.

Please don't hesitate to call me at 406-431-5477 to discuss the position.

Thanks for your time,

Laura Snellman
President
